*Dear Mr Venkata Rao,*

1. I write this DO to place on record my appreciation for your proactive & positive attitude which has helped us at MCEME to ensure booking of 100% of funds under various heads in line with all the Govt guidelines on fin prudence & proc ex GeM. This would not have been possible without you and CDA staff support, who have been equally forthcoming in guiding my staff in how to handle each case and challenges in a proper manner.

2. I would like to take this opportunity to request you to convey our appreciation and thanks to your entire staff for the relentless service provided to ensure optimal utilization of the funds.

*With warm regards*

*Yours sincerely*
