No. G20 (B)/302/1/2022

February 06, 2023

Dear Sir/Madam,

Kind reference is invited to email dated 17 November 2022 on 'India's G20 Logo-Theme Elements and Guidelines'.

2. It may kindly be noted that India's G20 branding is centred around the Logo and Theme that were unveiled by the Hon'ble Prime Minister on 8 November 2022. The use of the Logo in various contexts and applications is defined by a set of comprehensive guidelines that were shared vide email dated 17 November 2022. The need for amplifying and mainstreaming the use of Logo was also reflected in Cabinet Secretary's DO Letter No. 1/48/8/2022-Cab dated 8 November, 2022. However, deviations from these guidelines have been observed during recent G20 meetings, such as non-use of Logo, use of incomplete Logo, e.g., without 'भारत 2023 India', incorrect use of Logo colours, incorrect placement of map within the Logo, etc.

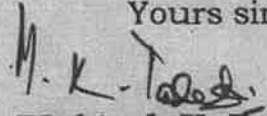

3. In this regard, Ministries and States are requested to use India's G20 Logo and Theme prominently in all publicity creatives related to G20 meetings as per stated guidelines. Further, Union Ministries/Departments and State/UT governments are encouraged to incorporate the theme, 'वसुधैवकुटुम्बकम्' (VasudhaivaKutumbakam in the original language text ONLY) 'One Earth · One Family · One Future', along with the Logo. The latest Logo Guidelines are therefore, being reiterated herein for reference (attached as **Annexure A**).

4. Besides the above, some States/Ministries have also been putting up flags of various G20 member and invitee countries in and around meeting venues. In a few cases, incorrect display of flags, upside down flags etc., have been noticed. As this is a sensitive issue, correctness of any flags being used may be closely checked before displaying the same for city/venue branding.

5. It is requested that these observations and suggestions may be adhered to for the upcoming meetings.

With regards,

Yours sincerely,

(Muktesh K. Pardeshi)

To,

1. All Secretaries, Government of India
2. All State Chief Secretaries/UT Administrators

The lotus, the national flower of India, symbolizes spirituality, fruitfulness, wealth, knowledge and illumination. It also represents purity of heart and mind. The perfect symbol for sustainability.

This design interprets the Lotus as having seven petals. They signify the seven seas and the coming together of seven continents at G20 Bharat 2023. This is the visual representation of India embracing the world as one united family.

CLEAR SPACE AROUND THE LOGO

The G20 India logo has multiple colours and design elements, so it needs a lot of breathing / white space around it. The minimum free space around the logo, on any layout, should always be '2' distance on all its sides. Never put any text or graphics in that space.
