^^^

This office has published the Part I OO NO. 13, dated 25.04.2014 based on the MOD ID mentioned under Ref (2) and Hqrs. CGDA Lr. No. under Ref(1) above to take appropriate action.

The MOD vide their letter mentioned under reference clearly clarified that "since the post of MCM was not in the hierarchy of artisan staff cadre upto 31.12.2005, the Highly Skilled Workers / MCM who were already drawing the pay scale of Chargemen (5000-8000) viz the promotion post upto 31.12.2005 undr ACPs may be considered for further financial upgradation, if due, in the next Grade Pay (Rs. 4600/-) in the hierarchy of Grade Pays".

The order issued by the MOD is self explanatory. It appears from the correspondence being received in this office, that some of employees who do not fall under the above guidelines of MoD were also granted the Grade Pay of Rs. 4600/- and are receiving the benefits of the same.

Hence it is needless to say that pay fixations in such cases are invariably be done to bring them back to their eligible Grade Pay i.e. Rs. 4200/- or to the Grade Pay to which they are eligible, and the amounts paid over and above their eligibility are required to be recovered. Further, some of the employees may be on verge of their retirements / superannuations, and the recovery of overpayments will be difficult once their entitlements were paid to them.

All the concerned are requested to initiate immediate action in this regard as discussed above.
