INVITATION OF QUOTATIONS FOR COMPREHENSIVE ANNUAL MAINTENANCE CONTRACT FOR COMPUTERS AND PERIPHERALS at CDA SECUNDERABAD.

Sealed technical(Annexure-C) and financial (Annexure - D) quotations in separate envelopes are requested for provision of the services for Comprehensive Annual Maintenance of Computer Systems & Peripherals for CDA, Secunderabad. The details of the scope and quality of services are provided in succeeding paragraphs:

2.0 SCOPE OF WORK/SERVICE:

2.1 Repair & Maintenance Services (Hardware): - The contractor will be required to maintain the equipment (PCs, Servers, Printers, Scanners and Laptops etc.) in good working order. The details of the equipment are provided in the "Annexure-A" to this tender document.

2.2 Contractor should provide services to correct any faults & failures in any equipment under this contract during our normal working hours i.e. from 0900 to 1800 on weekdays.

2.3 Vendor should place Four Resident Engineers with knowledge in Linux & Windows, one in the Office of CDA Secunderabad one in the office of PAO(ORs) EME Secunderabad , one in the office of PAO(ORs) AOC, Secunderabad and one in the office of AAO(Army) Vizag from 9.00 A.M to 6.00 P.M. The duties and responsibilities of the Resident Engineers are provided in Annexure-B.

2.4 The contractor should provide a total of 99.9% up time of all equipment under the contract.

2.5 The maintenance services will be comprehensive and will include cost of labor, faulty parts/ complete equipment replacement with new parts/ equipment, including plastic parts etc. The new replaced parts will become the property of the CDA and only faulty parts may be given to the contractor except faulty hard disk and any other storage devices. In case of replacement the contractor has to supply new equipment/parts of equivalent standard keeping in view the Book value of the item but the old equipment will remain the property of the CDA as obsolete item.

2.6 The contractor's professionals will be required to move to provide services to different locations in Hyderabad/Secunderabad and Vizag at the contractor's cost. No payment will be made by CDA on local moves. The list of offices where services are to be provided is given in Annexure-H.

2.7 During the contract period, equipment may be included/reduced for maintenance and repair services of AMC. These equipments will be included/reduces on pro-rata basis. The inclusion/reduction in the maintenance of hardware items will be intimated to the Vendor one week prior to the actual inclusion/reduction.

2.8 Immediate Resolution of problem and keeping H/W SOFTWARE uptime up to 99.9% and in case of server & its applications it will be 100%. The contractor has to provide standby hardware in case of corrective maintenance takes more than 1 (one) working day. The standby equipment arrangement will be allowed for maximum of 10 working days only. If any equipment is not repaired within 48 hours (Two working days) from the time of reporting of call or the standby provision period exceeds the allotted period (max 10 working days), a recovery of 0.5% of total contract value of the quarter will be recovered per day per faulty equipment. In such cases the equipment may also be repaired/replaced by CDA Secunderabad and the cost amount will be deducted from the next quarter payment.

2.9 If the above time schedule is not adhering to as per para 2.8 in respect of any item, the same may be considered as sufficient ground to consider services as unsatisfactory and CDA may, at his sole discretion, terminate the contract, in which case the pro rata payment, for the period of AMC services rendered by the firm, will be made. The firm understands and agrees not to raise any claim of whatsoever kind against CDA for his decision to terminate the contract and incidental to it.

2.10 The contractor's professionals may be required to install newly procured hardware at any of the site as directed by CDA. Moreover, the contractor's

professionals will do the jobs such as data transfer, data backup, etc. as instructed by CDA from time to time.

3.0 GENERAL TERMS:

3.1 The contract will be initially for one year, extendable up to three years one year at a time on same rates and terms and conditions. CDA reserves the right to cancel the contract by giving prior notice of one month, if the contractor does not provide satisfactory services.

3.2 As the working sites of the CDA are in the Restricted Areas, all Professionals must clear Police verification, at their own arrangement and the contractor should provide identity card of the firm to their personnel.

3.3 All Professionals may be interviewed by CDA or his representative and the contractor will deploy only those professionals who are found suitable for the job by this office. Changes/replacement of professionals should not be frequent and the contractor will not change Professionals without the consent of CDA.

3.4 The contractor will not sub-contract or permit any other personnel than the contractor's personnel to perform any work, service or other activities required by CDA without the prior written consent of the CDA.

3.5 Professionals of the contractor will maintain the confidentiality of data stored on the computer systems. The contractor will be required to take appropriate actions against his professionals to ensure that the obligations of non-use & non-disclosure of confidential information would strictly complied. No Professionals of the contractor will carry any personnel floppies/USB Drives/Blank CDs /Mobile phone/Camera inside CDA premises.

3.6 The Contractor will be required to submit summary of daily & monthly call reports to CDA.

3.7 **Preventive Maintenance Schedule:** All equipment under contract will have Preventive maintenance, once in every three months. The preventive maintenance will include cleaning, checking of health of equipment, resolving minor technical problems, etc and will be handled by a separate team of the contractor with coordination with the contractor's Professionals.

3.8 **The contractor will be required to keep spare systems/assemblies/ Sub-assemblies at CDA site. Further, tool kits for carrying out the necessary stores within CDA will be required to be positioned by the Contractor.**

The vendor shall maintain an inventory of spare parts at each of the four sites where service engineers are placed, and should include at least the following:

The hardware is to be taken under AMC in as it is where it is condition.

5.5 CDA reserves the right to cancel the order at his discretion, if the rates quoted in financial bid are not genuine.

5.6 CDA reserves the right to increase/decrease quantity at the time of placing the final supply order/contract.

5.7 The contractor should quote for the entire schedule of requirements/services as mentioned in Para 2 above. Part quotation will be rejected. Quotations should be valid for 90 days from the date of submission. The contractor with the lowest bid will be selected for provision of all services.

5.8 **Security Deposit** 3% of the value of our Supply order/Contract cost should be deposited by successful bidder by way of Bank Guarantee within 10 days of placing contract order and the same should remain valid for period of 60 days beyond the period of contract. Otherwise an equivalent amount will be deducted from the first quarter payment.

5.9 Bids of those firms who do not fulfill the requisite qualifications are liable to be rejected. CDA reserves the right to accept or reject the tender without ascribing any reasons. This office also reserves the right to withdraw the RFP, should it be so necessary at any stage.

5.10 This office reserves the right to reject any bid in the technical stage, if it is found that the performance of the firm was found unsatisfactory by any reputed organization in the past three years.

6 Payment Terms:

6.1 Payment will be made against quarterly against a pre-receipt bill after verification/inspection and acceptance of services.

6.2 There will be NO advance payment. The payment will be released on satisfactory service during the completion of quarter on Quarterly basis only. The Vendor should submit satisfactory certificates from the users where service engineers are placed for releasing the quarterly payment.

6.3 For payment of salary to the service engineers the Vendor should comply with payment of minimum wages as per Government labor laws, in case of any increase in minimum wages, it should be borne by the Vendor only.

6.4 The vendor has to produce a certificate proof of payment of salary, EPF and ESI to the concerned staff, deployed at CDA, for each quarter during the complete period of maintenance.
