Subject: MACP on completion of 20/30 years of service or 10 years of service after previous promotion - Reg.

MACP Scheme envisages grant of three financial up gradation to Group 'B', 'C' employees on completion of 10, 20 and 30 years of continuous regular service.

As per the Scheme, three financial up gradation in the entire career of an employee will be counted against regular promotions availed from the grade in which an employee was appointed as a direct recruit.

The financial up gradation under the Scheme will be admissible whenever a person has spent 10 years continuously in the same Grade pay. The second up-gradation, after completion of 10 years of regular service from the date of first financial up gradation. The third up-gradation, after completion of 10 years regular service from the date of the second financial up gradation. If the first up gradation gets postponed on account of the employee not found fit or due to departmental proceedings, etc., this would have consequential effect on second and third up gradation which would also get deferred accordingly.
