**Subject: Accessing email accounts from abroad.**

National Informatics Centre (NIC), New Delhi has been regularly bringing to the notice of this HQrs Office about attempts made to access the email ids belonging to the users of DAD from foreign countries and asking for a confirmation as to whether the users are indeed in the foreign country. NIC also asks for their period of stay in the foreign country so that access to their email ids could be enabled accordingly.

2. In the above context, it is requested to issue necessary instructions to the officers/staff, under the administrative jurisdiction of your organization, to set the country access policy themselves through the portal <https://kavach.mail.gov.in>, before visiting foreign countries either on leave or on posting.
