6. The SAO Accounts and Misc Section – Main Office.

Sub : Rendition of MFAI reports to Hqrs. CGDA office on quarterly basis – Reg.

Ref : Para 652 A and 666 of OM II, Vol-1.

^^^

A quarterly report on MFAI is mandated and this section is required to consolidate the proposals received from various offices and sub-offices before submission to the Hqrs office.

Of late, it is observed that there were a few proposals being submitted to this office by the offices and sub-offices under their audit jurisdiction thereby the receipt of the MFAI proposals are minimal and reflects adverse view by the competent authority on the functioning of the offices and sub-offices.

Hence, all the offices and sub-offices are requested to submit the proposals in proper format which are worth considering with the copies of correspondence made and Key documents to this office at the earliest to appraise the competent authority to reflect them in the ensuing MFAI report.

Please accord top priority.
