Sub: Proposal for direct payment to individual's salary accounts instead of issue of Payment authority in r/o. Industrial Employees (MES) – Reg.

Ref: HQRs Office letter No. Coord/00012/2020-21, dated 10/06/2020.

\*\*\*

As per the directions of CGDA Office, it is proposed to credit the amounts due from Reimbursement of Medical Expenses claims directly to the salary account of the government servant instead of public fund account of the unit.

Accordingly this office started making payments directly to individual's salary accounts instead of public fund account of the unit in r/o all civilian staff except MES Industrial employees. Presently in r/o. RME claims of Industrial Employees, Payment Authority is being issued to concerned GE offices.

In order to achieve the target fixed by HQrs office, it is proposed to make the direct payment to Industrial employees (MES) also. As the pay bills of Industrial employees (MES) are not dealt with by this office, the details of bank account of Industrial employees (MES) are not available in this office.

Therefore, it is requested to forward the details of (salary account) bank account in NEFT mandate format along with cancelled cheque in r/o all the Industrial employees (MES) to update the same in Tulip programme and to take further necessary action.

Please accord priority.
